Liz Cheney, Trump's Chief Antagonist, Loses House Primary in a Landslide

Harriet Hageman defeated Ms. Cheney, a leader on the Jan. 6 panel, in Wyoming. It's a win for former President Trump in his effort to purge his G.O.P. critics.

After Liz Cheney's loss, only two of the 10 House Republicans who voted to impeach Mr. Trump will advance to the general election. Catch up on the midterms.

Lisa Murkowski and Kelly Tshibaka have advanced in Alaska's Senate primary race.
